GROW PRODUCE ALL YEAR WITH TOWER GARDEN:

How the Tower Garden works, what you can grow, tips for a successful garden.

Presented by Deb Rudloff-Northwest Passage2 Health

12:00PM

CULTIVATING INTENTIONAL CONNECTIONS WITH NATURE USING FOREST BATHING PRACTICES:

This presentation/demonstration will introduce the Biophilia hypothesis and how humans are physiologically wired to be outdoors. I will guide others in considering their unique relationships to our earth and offer ways to cultivate deeper connections when they are outdoors. I will introduce forest bathing and share some of the science behind the practice as preventative medicine and how this practice is utilized in other regions of the world.

Presented by Missie Wikler-r’oming yoga

12:30 PM

MAKEOVER YOUR METABOLISM:

Discover the hidden habits that trash your metabolism, disrupt hormones. You’ll learn simple practical ways to support a robust metabolism, vibrant energy & find your happy, healthy weight!

Presented by Deanna DeWitt-Deanna DeWitt Wellness & Functional Nutrition
